About this Workshop

Some people call it “every man’s battle.” Some people call it perversion. Some call it a gift from God that satan has perverted.

The truth is that a majority of men on earth have some degree of ungodly issues with sex, including Christian men. Pornography and other issues are as rampant in the Church as it is in the world and very few want to talk about it let alone address it. We just cover it up and live with the shame.

God wants His sons free to enjoy His gift of sex without the perversion the enemy has brought into it. Now is the time for the men of God to find freedom from the bondage of sexual sins and the resulting shame.

This is not just a seminar to fill your head with teaching and send you on your way. This is called a workshop because you will be completing some exercises that will set you free from the sexual issues you are dealing with. You will be doing the exercises privately, so no one needs to know what your issues are.

We will be using the principles of the Restoring the Foundations Ministry to cover the areas of sins of the fathers, ungodly beliefs, hurts and demonic oppression.
